# POWELL CEMETERY INVENTORY

The cemetery located on Liberty Road in Powell, Ohio, was inventoried by Ted Forgrave during August and September, 1982, as a service project in partial fulfillment of the requirements to earn the Star Scout rank in the Boy Scouts of America. Ted is a member of Troop 87 in Delaware sponsored by The Church of Jesus Christ of Latter-day Saints. He was assisted in this project by his mother and father.

During the inventory, the cemetery was divided from the front gate back and then inventoried by rows of tombstones.

Three lists are attached. The first, entitled "BY ROWS," lists the names on each stone as it was found, and each stone is separated from the others by a line space. The second list is entitled "SORTED ALPHABETICALLY" and includes the same information as the first list. The third list arranges the names by death date, and it is entitled "BY DATE."
